State of Maine.

County of Penobscot, ss.

To H. Leon Knight, a Constable of the Town of Newburg,
in said County: GREETINGS:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Newburg, qualified by law to vote in town affairs, to assemble at the Town Hall in said town of Newburg on Monday, the (11) eleventh day of March, at 10 o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the report of the Selectmen, Assessors, and Overseers of the Poor, Treasurer, and Superintendent of Schools.

Art. 4. To choose three or more Selectmen, Assessors and Overseers of the Poor for the ensuing year.

Art. 5. To see if the town will vote to authorize the Selectmen to act as Road Commissioners; if not, to determine the number of Road Commissioners the town shall have and elect the same.

Art. 6. To choose a member of the School Board for a term of three years.

Art. 7. To choose one or more Fire Wardens.

Art. 8. To choose a Treasurer of the town and all other officers except a Collector of Taxes.

Art. 9. To determine what sums of money the town will raise by taxation for the following purposes for the ensuing year:

For the support of Common Schools and
High School Tuition.

For the support of Schoolhouses.

For the support of Poor.

For Roads and Bridges—Summer.

For Roads and Bridges—Winter.

For State Aid Road Maintenance.

For Abatements.

For Memorial Day.

For Superintendent of Schools.

For School Committee Salary.

For Cutting Bushes, Improved Roads.

For Incidentals.

Art. 10. To see what sum the town will raise and appropriate for State Aid Road Construction (in addition to the amount regularly raised for the care of Ways, Highways and Bridges), under the provision of Section 19, Chapter 28, Revised Statutes of 1930, or under the provision of Section 3, Chapter 229, Public Laws of 1937.

Art. 11. To see if the town will vote to raise the sum of \$541.00 for the maintenance of the improved sections of Third Class Roads, or to be used in connection with the third class apportionment made by the State for the improvement of third class roads.

Art. 12. To see what action the town will take in regard to the collection of taxes for the ensuing year and to

fix the compensation for collection of taxes, and to elect a Collector of Taxes for the ensuing year.

Art. 13. To see if the town will raise and appropriate \$25.00 for public health nursing in Newburg. Said sum to be expended by the State Bureau of Health, for local services.

Art. 14. To see what action the town will take in regard to letting the Newburg Grange use the Town Hall for Grange purposes.

Art. 15. To see if the town will raise a sum of money to repair the fence at the Arnold Corner Cemetery.

Art. 16. To see if the town will raise a sum of money to be expended for the improvement of the lots in Rogers Cemetery.

Art. 17. To see if the town will vote to reimburse Emery Curtis his 1939 taxes.

Art. 18. To see if the town will vote to authorize the Selectmen to hire money in anticipation of taxes.

Art. 19. To act on any other business that may come legally before said meeting.

Notice is hereby given that the Selectmen will be in session at the Town Hall on Monday, March 11th, 1940, for the purpose of revising the list of voters.

Given under our hands at Newburg, 26th day of February, 1940.

LINWOOD MILLER

AUDITOR'S REPORT, 1938—1939

*To the Honorable Board of Selectmen,
Newburg, Maine.*

Gentlemen :

This is to certify that I have, as per your instructions, audited the accounts of the town for the year ending February 15, 1939, for the purpose of verifying the cash transactions and the correctness of all other entries made upon the books. All cash received has been properly recorded and deposited in the bank. All disbursements have been properly vouchered, recorded, and paid by check. The cash on hand of \$2,268.88 as of February 15, 1939, is correct and reconciles with the bank statement.

I also certify that the several exhibits shown below, attached to and forming a part of this report, are based upon the records and reflects the true condition of affairs and are correct to the best of my knowledge and belief.

EXHIBIT "I" SUMMARY OF APPROPRIATIONS

CASH

Cash on hand is \$1,668.25 less than it was the previous year. This is caused by the falling off in tax collections. Uncollected 1938 taxes amount to \$3,058.49. In previous years all uncollected taxes have been taken over by the collector at the close of the year. It was voted to extend the time of settlement to June 1, 1939.

INDEBTEDNESS

\$1,500.00 in temporary loans were cancelled as well as \$180.00 on general loan.

NET TOWN DEBT OF SURPLUS

You now have a surplus of \$244.95 in this account, whereas at the beginning of the year there was a deficit of \$489.77 making a gain of \$734.72.

Your constitutional debt limit is \$9,753.00 against this you have loans of \$3,500.00 leaving a borrowing capacity of \$6,253.00.

TRUST FUNDS

Cemetery Trust Fund has been increased \$100.00 by addition of Moses Parsons Fund.

Twenty of the 23 trust funds are still carried as one account. The segregation of this account should be made as soon as possible so that the unused portion of the income from any fund can be left in the bank at interest instead of being drawn out and deposited with the general town funds.

The affairs of the town are handled in a systematic and business like way, and the records of all officials are kept in a neat and accurate manner.

In closing, I wish to express my appreciation of the cooperation and assistance given me, also the many courtesies shown me while making the audit.

Respectfully submitted,

By WILLIAM J. CURRIER,
Public Accountant-Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
the Town of Newburg:*

I herewith submit my eleventh annual report of the schools of Newburg for the municipal year ending Feb. 15, 1940.

TEACHERS

There has been but one change of teachers this year. On the resignation of Mrs. Bertha Gilmore, Warren Whitcomb was engaged for the Knowlton school. You have an excellent staff of hard-working, well-trained teachers. Mrs. Knight, Mrs. Hopper, and Miss Hamlin attended the University of Maine summer session. By giving a bonus of fifty dollars from the Equalization Fund, your teachers are encouraged to improve their professional standards by summer school attendance.

HIGH SCHOOL STUDENTS

Our students registered at Hampden Academy, Brewer, and Bangor, have continued to make a good record. We have reason to be proud of our high school students, and to encourage them in every way.

REPAIRS

Some of the repairs which were badly needed at the Knowlton schoolhouse were finished this year. Minor repairs are needed at the Hill schoolhouse, including new Hyloplate or similar blackboards.

EQUALIZATION FUND

The Equalization Fund has been spent to maintain a 36-week school year, to raise teachers' salaries and to make

a start toward the class room libraries recommended by the State.

In order that Newburg may be eligible for Equalization in 1941, it is important not to lower the school rate by a reduction of appropriations. Our rate in 1939 (on which Equalization is based for 1940) was .01380; the State average rate .01275. The same appropriation as in previous years will enable us to be eligible for Equalization.

In closing, I wish to thank the municipal officers, the S. S. Committee, the parents, children, and citizens for their constant cooperation in my work.

Respectfully submitted,

BERTHA W. CARTER,
Superintendent of Schools.

State of Maine.

County of Penobscot, ss.

To Leon Knight, a Constable of the Town of Newburg,
in said County; GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Newburg, qualified to vote in town affairs, to assemble at the Town Hall in said Town of Newburg on Monday, the (10th) tenth day of March, at 10 o'clock in the forenoon, 1941, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the report of the Selectmen, Assessors and Overseers of the Poor, Treasurer, and Superintendent of Schools.

Art. 4. To choose three or more Selectmen, Assessors and Overseers of the Poor for the ensuing year.

Art. 5. To see if the town will vote to authorize the Selectmen to act as Road Commissioners; if not, to determine the number of Road Commissioners the town shall have and elect the same.

Art. 6. To choose a member of the School Board for a term of three years.

Art. 7. To choose one or more Fire Wardens.

Art. 8. To choose a Treasurer of the town and all other officers, except a Collector of Taxes.

Art. 9. To determine what sums of money the town will raise by taxation for the following purposes for the ensuing year:

- For the support of Common Schools
and High School Tuition.
- For the support of Schoolhouses.
- For the support of Poor.
- For the support of Roads and Bridges
—Summer.
- For the support of Roads and Bridges
—Winter.
- For State Aid Road Maintenance.
- For Abatements.
- For Superintendent of Schools.
- For School Committee Salary.
- For Cutting Bushes, Improved Roads.
- For Incidentals.
- For Aid to Dependent Children.

Art. 10. To see what sum the town will vote to raise and appropriate for State Aid Road Construction (in addition to the amount regularly raised for the care of Ways, Highways and Bridges), under the provision of Section 19, Chapter 28, Revised Statutes of 1930, or under the provision of Section 3, Chapter 229, Public Laws of 1937.

Art. 11. To see if the town will vote to raise the sum of \$541.00 for the maintenance of the improved sections of Third Class Roads, or to be used in connection with the third class apportionment made by the State for the improvement of third class roads.

Art. 12. To see what action the town will take in regard to the collection of taxes for the ensuing year and to fix the compensation for the collection of taxes, and to elect a Collector of Taxes for the ensuing year.

Art. 13. To see if the town will raise and appropriate \$25.00 for public health nursing in Newburg, said sum to be expended by the State Bureau of Health for local services.

Art. 14. To see what action the town will take in regard to letting the Newburg Grange use the Town Hall for Grange purposes.

Art. 15. To see if the town will vote to accept the sum of one hundred dollars (\$100.00) from the Clara Knight Estate, the income to be used for the care of the Andrew Knight lot in Chapman Cemetery.

Art. 16. To see if the town will vote to pay for the electricity used in the schools in Newburg and appropriate money for same.

Art. 17. To see if the town will vote to discontinue the road leading from Joe Haskell's to the Monroe town line.

Art. 18. To see if the town will vote to authorize the Selectmen to hire money in anticipation of taxes.

Art. 19. To act on other business that may legally come before said meeting.

Notice is hereby given that the Selectmen will be in session at the Town Hall on Monday, March 10, 1941, for the purpose of revising the list of voters.

Given under our hands at Newburg, this 24th day of February, 1941.

LINWOOD MILLER,
M. S. LEAVITT,
WILLIAM WOODRIDE,
Selectmen of Newburg.

AUDITOR'S REPORT

Bangor, Maine, March 28, 1940.

*To the Honorable Board of Selectmen and Inhabitants,
Town of Newburg, Maine.*

In compliance with your instructions, I have audited the accounts of Treasurer, Tax Collector, and Selectmen for the municipal year ending February 15, 1940, for the purpose of verifying the cash and all other entries made upon the books and submit herewith the following exhibits, viz:

EXHIBIT "A" COMPARATIVE BALANCE SHEET

EXHIBIT "B" TREASURER'S ACCOUNT

EXHIBIT "C" SELECTMEN—VALUATION

EXHIBIT "D" TAX COLLECTOR

EXHIBIT "E" EXCISE TAX

EXHIBIT "F" CEMETERY TRUST FUND

EXHIBIT "G" SUMMARY OF OVERDRAFTS AND
UNEXPENDED BALANCES TRANS-
FERRED TO NET DEBT OR SURPLUS

EXHIBIT "H" SUMMARY OF APPROPRIATIONS

CASH

All cash receipts and disbursements were checked and found to be properly accounted for and recorded. Checking account was checked and found to be in agreement with bank statements.

I hereby swear that cash on hand February 15, 1940, \$1,197.35, is correct to the best of my knowledge and belief.

TRUST FUNDS

Cemetery Trust Funds were checked and found to be in order and the cash deposited in the Bangor Savings Bank and the Penobscot Savings Bank, Bangor, Maine.

The Knowlton School Trust Fund, Merchants National Bank, trustee, reports were checked and found to be correct and the income from same properly credited to the school account.

LOANS

All temporary loans made during the year were paid off.

NET DEBT OR SURPLUS

This account shows an increase of \$114.30. Your constitutional 5% debt limit is \$9,742.30, against which is charged \$3,500.00, leaving a margin of \$6,242.30.

COMMENTS

The several exhibits attached to and forming a part of this report were made from your town records, and to the best of my knowledge and belief reflect the true condition of affairs.

All records were found to be kept in a neat and accurate manner.

Much credit is due the town officials for the efficient manner in which town affairs are taken care of.

At this time, I wish to express my appreciation of the courteous treatment, assistance, and cooperation rendered me while conducting the audit.

Respectfully submitted,

By WILLIAM J. CURRIER,
Public Accountant-Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
the Town of Newburg:*

I herewith submit the annual report of the schools of Newburg for the municipal year ending February 15, 1941.

TEACHERS

Schools opened September 3rd with the following teachers and enrollment for the fall term:

School	Teacher	Enrollment
Knowlton	Clara Hamlin	17 pupils
Center	Mabel Hopper	16 pupils
Ward	Rhodora Knight	25 pupils
Bell	Rachel Green	14 pupils
Hill	Anna O'Neil	20 pupils
Gilmore	Gertrude Davis	18 pupils
Chapman	Theresa Chadbourne	15 pupils

Miss Rachel Green, formerly of North Dakota, is the only new teacher this year. She has had normal training and many years of successful experience. Newburg is very fortunate in having an excellent staff of professionally well-trained, conscientious teachers. The value of their work cannot be measured in dollars and cents. It is reflected, however, in the interest taken in our schools by parents and children, and in the very high percentage of attendance. I do not know of a town having better attendance than Newburg, a record of which you may well be proud.

HIGH SCHOOL TUITION STUDENTS

Records show that Newburg students, as a rule, make good in high school, and that we have a fair percentage of honor students among those who graduate. Since English and science seems to be the most difficult subjects for our entering students, the elementary teachers have been placing stress on preparatory work in English, and we hope to add science books for our upper grades this year.

TEXTBOOKS

The schools are well supplied with the regular texts. However, the State Department requested that part of the Equalization money be spent for reference books, and library books. Eventually each school should have a small, standard classroom library, an encyclopedia, and a dictionary for every child above the third grade.

FINANCES

The State School Bulletin for January, 1941, gives Newburg's school rate (showing per cent of taxes spent for schools) as .01380; the average for the State is .01301. In order to continue to receive Equalization money, Newburg's school rate must equal or exceed the State average. Since our unexpended balance is smaller than usual this year, and since we do not wish to lose the Equalization, I strongly urge the town to increase the appropriation by approximately two hundred fifty dollars.

RECOMMENDATIONS

Common schools and high school tuition	\$3,450.00

AUDITOR'S REPORT

YEAR 1940-1941

Bangor, Maine, April 11, 1941.

To the Inhabitants, Town of Newburg,

As per your request, I have completed an examination of the accounts of your Town officials for the municipal year ending February 15, 1941.

My report, herewith submitted, was prepared from your town records and to the best of my knowledge and belief reflects the true financial condition of your town as of above mentioned date.

TREASURY:

All cash shown to have been received has been properly recorded and accounted for, and substantiated by receipts.

The check book balance was in agreement with the cash book balance and reconciled with the bank statement at the close of the year.

The expenditures were made from Warrants authorized by one Selectman and vouchers covering the various Warrants were on file.

TAXES:

The tax commitment was checked with the Assessors' records and found to be in agreement. The taxes were accounted for either in cash or taxes still outstanding.

No reserve was set up for uncollected taxes as years prior to 1940 are all cleaned up. 1940 uncollected taxes as of June 1, 1941 will be paid by the Collector.

Respectfully submitted,

By WILLIAM J. CURRIER,
Public Accountant - Auditor.

ANNUAL REPORT OF PUBLIC HEALTH NURSING

Public Health Nursing is concerned with securing and maintaining better health for all members of the community. Recognizing that whatever is done to assure physical and mental health during maternity, infancy, childhood and youth will effect the health of the adult population, we have, as in the past placed most emphasis on the work with the pregnant mother, the infant and the preschool child.

The part of the Public Health Nurse in the school health program is to serve in an advisory capacity, to suggest sources of authentic material for health teaching, to suggest ways and means of correlating health teaching with the regular school curriculum, and in the case of communicable disease to demonstrate the formal inspection, to aid in the control of communicable disease by arranging for immunization programs. In several instances meetings have been held with the teachers at which various phases of school health work was discussed and demonstrated.

During the past 10 months 2 prenatal mothers and 3 postpartum mothers were visited to encourage early and continued medical supervision. The prenatal mothers were assisted wherever possible with plans for confinement, the postpartum mothers were assisted in fitting the new baby into the family routine.

7 visits have been made to young infants to point out the importance of medical supervision, of a regular daily schedule and of the value of immunization and vaccination. Special emphasis was placed on prevention of disease.

48 visits were made to preschool children with special emphasis on carrying on work and instructions begun in infancy.

12 home visits have been made in the interest of school children to follow up defects found.

The State Bureau of Health in cooperation with the Red Cross sponsored a tuberculin testing clinic at the Town Hall at which 94 tests were done. There were 3 positive reactors at this clinic and plans are now under way to obtain chest x-rays for these 3 people.

Some tuberculosis work has been done in individual families.

Due to the fact that Newburg does not appropriate money for Public Health Nursing the school nursing phase of our generalized program is being omitted this year. The tuberculin testing clinic was a demonstration of what can be done in the schools if the townspeople want it, and are willing to sponsor it.

KATHERINE DONLEY,
Public Health Nurse.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the S. S. Committee and the Citizens of the Town of Newburg:

I herewith submit the annual report of the schools of Newburg for the fiscal year ending February 15, 1942.

TEACHERS

There were but two changes in the teaching staff at the beginning of the fall term. Mrs. Ethel Luce replaced Miss Rachel Green at the Bell School, and Mrs. Louida Miller replaced Miss Anna O'Neil at the Hill School. Both teachers have had much successful experience and are well known to you.

It must be apparent to you that all of the Newburg teachers are earnestly devoted to their schools and that they are doing excellent work. Through the Equalization Fund, we were able to give them a small increase in salary this year. We must recognize that it is necessary to maintain this standard on account of the increasingly high cost of living, and the fact that salaries are being raised all over the state.

CONVEYANCE

Without doubt the cost of conveyance will increase materially. The Commissioner of Education has informed all superintendents that conveyances having a seating capacity of less than ten will not be able to secure tires.

FINANCES

The large unexpended balance in the school account is due to the reimbursement on the McKague conveyance and the larger amount of Equalization money. It will therefore be possible to reduce the necessary appropriation.

RECOMMENDATIONS

Common Schools and High School Tuition	\$3,000.00
Repairs	75.00
Superintendence	193.00
School Committee	30.00

It has been suggested that the amount appropriated in 1941 for the lights should be used for painting one school-house.

In closing, I wish to express sincere thanks to the S. S. Committee for their constant cooperation, to the municipal officers, the teachers, pupils, parents and citizens for their help and inspiration in my work.

Respectfully submitted,

BERTHA W. CARTER,
Superintendent of Schools.

AUDITOR'S REPORT

YEAR 1941-42

Bangor, Maine, May 3, 1942

To the Inhabitants, Town of Newburg:

In accordance with your request, I have made an examination of the accounts of your town officials for the municipal year ending February 15, 1942.

My report herewith submitted was prepared from your town records and, to the best of my knowledge and belief, properly reflect the true financial condition of your municipality as of above mentioned date.

TREASURER:

All cash received as recorded appeared to be properly accounted for and substantiated by receipts.

The check book balance was in agreement with the cash book balance and reconciled with the bank statement as at the close of the year.

The expenditures were made from warrants authorized by the Selectmen properly signed.

TAXES:

The tax commitment was checked with the Assessor's records, and found to be in agreement.

The taxes committed were accounted for either in cash, abatements, or taxes still outstanding.

The abatements were not checked for authority as no abatement slips were made.

A list of all unpaid taxes was prepared as of February 15, 1942, as shown on Schedule 2. Uncollected taxes are collectible in full.

GENERAL:

The investment of trust funds is made according to law.

RECOMMENDATIONS:

It is my recommendation that the standard form of abatement slips be used.

It is my recommendation that a full and complete description of property taxed be entered on valuation records of the Assessor.

It is my recommendation that separate accounts be kept for Town Poor and Non-resident Poor.

When a town pays your town the expense of caring for one of its paupers, it becomes a non-resident poor account and not a town poor account.

I find the affairs of your town are handled in a very efficient and business like manner.

In closing, I wish to thank all town officials with whom I came in contact while conducting the audit for their assistance and courteous treatment.

Respectfully submitted,

By WILLIAM J. CURRIER,

Public Accountant - Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of the
Town of Newburg:*

I herewith submit the annual report of the schools of Newburg for the fiscal year ending February 15, 1943.

TEACHERS

Hill School	Dana Stevenson
Ward School	Theresa Chadbourne
Center School	Rhodora Knight
Knowlton School	Clara Hamlin
Chapman School	Mabel Hopper
Gilmore School	Gertrude Davis
Bell School	Ethel Luce

Newburg is very fortunate in having the above staff of well-trained teachers who are doing their best to carry on the regular work of the schools carefully and efficiently. Every teacher has also performed willingly the many extra tasks imposed by the war effort.

FINANCES

For a good many years Newburg has received a large amount of equalization money. This fund is distributed to those towns having a rate for school maintenance equal to or exceeding the average school rate for the state. The average school rate for 1942 is .01402. Newburg has a school rate of .01275. Therefore, Newburg will not be eligible to receive the Equalization Fund in 1943. This is in no way a reflection on the town but is due to the fact that many towns in Maine raised large amounts of school money in 1942.

RECOMMENDATIONS

Common Schools and High School Tuition	\$4,000.00
Repairs	125.00
Superintendence	193.00
School Committee	30.00

I wish to express my sincere thanks to all who have helped in the school work this year.

Respectfully submitted

BERTHA W. CARTER

Superintendent of Schools.

AUDITOR'S REPORT

Bangor, Maine, April 22, 1943

To the Inhabitants of the Town of Newburg:

In accordance with the request of your municipal officers, I have made an examination of the accounts of your town officials for the municipal year ended February 15, 1943.

My report, herewith submitted, was prepared from your town records and, to the best of my knowledge and belief, properly reflects the true financial condition of your municipality as of that date.

The data obtained by me is summarized in the following:

Respectfully submitted,

By WILLIAM J. CURRIER,

Public Accountant-Auditor.

COMMENTS

Cash:

All cash recorded as received was found to be properly accounted for as summarized on Exhibit B.

Expenditures were made by check from properly drawn warrants as shown on Exhibits B and D.

The bank balance at the close of the year was reconciled with the cash balance of the town as shown by Schedule 1.

Taxes:

The 1942 Tax Commitment to the Collector was examined and found to be in agreement with the records of the Assessors. The balance due from the Collector on this

commitment consists of unpaid taxes as per his records, as shown on Schedule 2. No verification was made of these unpaid items.

All prior years taxes have been settled in full either by cash paid Treasurer or Tax Liens.

The Excise Taxes were checked from triplicate copies of the receipts and all amounts specified were found to have been deposited with the Treasurer. The detail of collections is as follows:

1942 Receipts No. 50-185 Inc.	\$344.49
1943 Receipts No. 1- 28 Inc.	125.39
<hr/>	
Total Collections	\$469.88

The Dog Licenses were checked with triplicate copies of receipts. The detail is as follows:

Receipts No. 38761 - No. 38786 and No. 38801 - No.38840 Inc. Total collections \$106.30 and deposited with the Treasurer.

Excise Tax Collections (\$469.88) and Overlay (\$575.37) were credited to Incidental Account.

Tax Liens:

All unpaid tax liens were found on file as listed on Schedule 3.

Trust Funds:

All pass books were examined and all funds found to be deposited in the Bangor Savings Bank and the Penobscot Savings Bank in Bangor, Me.

The Knowlton School Trust Fund was not examined. It was found that the Merchants National Bank of Bangor, Maine, Trustees had rendered proper statements covering

the handling of this fund and had turned over to your Treasurer the earnings for the year, amounting to \$727.02, which were credited to the support of schools.

Departmental Operations:

Exhibit D furnishes an analysis of the various appropriation accounts. With the exception of School and Highway, State Aid Construction account, balances, all other overdraft and unexpended balances were dropped.

Appropriations are made for but one year only. Any balances remaining at the end of the year should be lapsed.

General:

Proper deductions for Victory Tax and Teachers' Retirement Fund were made and checks drawn for payment of same up to the close of the municipal year.

During the year, a temporary loan of \$2,000.00 was paid.

Interest on all outstanding notes were paid when due.

Pay Rolls were examined and appeared to be proper charges and correctly recorded.

With the exception of cash and trust funds, no external verification was made of the asset and liability accounts.

Town records are kept in a neat and accurate manner.

Your Net Deficit is \$478.59 and shows an increase of \$113.76 during the year.

School accounts have been checked with the accounts of the Supt. of Schools and found to be in agreement.

The unpaid taxes check with the list as published in the Town Report.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
the Town of Newburg:*

I herewith submit the annual report of the schools of Newburg for the municipal year ending February 20, 1944.

TEACHERS

While Maine, in common with other states, is facing a serious teacher shortage, Newburg has been able to retain the services of a staff of well-trained, experienced teachers. They have cheerfully carried on their work in spite of extra war-time restrictions and duties, and fully deserve your full cooperation in every way. Although Newburg now pays the minimum salary of \$720 per year, I urge your serious consideration of an increase in this amount for the new year. Taxes and the increased cost of living lower this amount, and a teacher receives pay for the school year but must live for the full fifty-two weeks.

REPAIRS

The seats at the Center and Ward school houses could be changed to the more easily moved, more comfortable, single desks and seats without too great expense. This should be done, as both these schools need the extra space which would be provided. The Chapman, Ward, and Center school houses were papered and painted, through the co-operation of the parents, teachers, and children. They are now pleasant, cheerful rooms.

RECOMMENDATIONS

Common Schools and High School tuition	\$3,600.00
Repairs	75.00
Superintendence	254.76
School Committee	30.00

I wish to express sincere thanks to the municipal officers, parents, teachers, and children for their cooperation this year.

Respectfully submitted,

BERTHA W. CARTER,

Superintendent of Schools.

Art. 12. To see what sum the town will vote to raise and appropriate for State Aid Road Construction, under

the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 228, Public Laws of 1937.

Art. 13. To see if the town will vote to accept the sum of \$1,000.00 from the estate of the late Aimee L. Blaisdell, the income to be used for the perpetual care of her lot in the Chapman Cemetery.

Art. 14. To see if the town will raise and appropriate \$30.00 for public healthing in Newburg, said sum to be expended by the State Bureau of Health for local services.

Art. 15. To see whether or not the town will vote and appropriate the sum of \$25.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine, in accordance with the provisions of Chapter 5, Section 52, of the Revised Statutes of Maine.

Art. 16. To see if the town will vote to raise and appropriate the sum of \$500.00 for the maintenance of improved sections of third class road, or to be used in connection with the third class apportionment made by the State for improvement of third class road.

Art. 17. To see what action the town wishes to take in regard to the uncollected taxes for 1944.

Art. 18. To see what action the town will take in regard to the collection of taxes for the ensuing year, and to fix the compensation for the collection of taxes, and to elect a Collector of Taxes for the ensuing year.

Art. 19. To see if the town will vote to authorize the selectmen on behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes

thereon, on such terms as they deem advisable, and to execute quit claim deeds for such property.

Art. 20. To see if the town will vote to authorize the selectmen to hire money in anticipation of taxes.

Art. 21. To see what action the town will take in regard to letting the Newburg Grange use the Town Hall for Grange purposes.

Art. 22. To act on any other business that may legally come before said meeting.

Notice is hereby given that the Selectmen will be in session at the Town Hall on Monday, March 12, for the purpose of revising the list of voters.

Given under our hands, this 24th day of February, 1945.

REPORT OF PUBLIC HEALTH NURSE

January 1 to December 31, 1944, Bureau of Health Nursing Service:

The effectiveness of a community health service depends to a large extent on the interest and understanding of the Public Health Program by all citizens of the community. It is essential that they appreciate the value of the service. From a personal standpoint they should be interested in the program because the health of every citizen in the community affects the health of other citizens and because the cost of the service is directly or indirectly borne by the individual taxpayers of the community.

Expectant mothers were given health instruction in the care of themselves and their babies. The care of a physician was advised for both. Health supervision was given children of all ages where need appeared. Instruction in the prevention of disease was given to mothers of infants and small children. Immunization of children and keeping them away from others who have communicable diseases was stressed. No Child Health Conference was held in town this year. It was felt more advantageous to invite the children to Hampden. Here not only the diphtheria and small-pox inoculations are available but also whooping cough immunization.

Nutrition for normal growth and development has been discussed when making home visits.

Several children under fourteen have been referred to the Pediatric Clinic held monthly in Bangor. Assistance will be given the parents in carrying out the recommendations of the child specialist who examined these children.

Typhoid inoculations were given at the schools in May. The small fee was to cover the cost of a physician. Everyone in town over six months of age was invited. Eighty-six completed the three inoculations.

All children in fourth grade and above had their hearing tested with the audiometer. Eight were found to have defective hearing. The parents were notified that they might see about correction before this became a serious handicap.

Consultation with the nurse was made available to each of your teachers. Health problems have been discussed and plans made to solve them insofar as possible.

Although the Health Committee has been less active as an organization the latter part of this year the members have been consulted before programs have been started.

MAREA G. LUNDBERG,
Bureau of Health Public Health Nurse

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Newburg:

I herewith submit my fifteenth annual report of the schools of Newburg, for the municipal year ending February 20, 1945.

TEACHERS

Gilmore—Ada Howes.
 Chapman—Mabel Hopper
 Knowlton—Louda Miller
 Center—Rhodora Knight
 Ward—Clara Eldridge
 Hill—Josie Heath

The work of the schools has been carried on very well with the above staff of experienced teachers. With the exception of Miss Heath, they are residents of Newburg. They deserve and receive, your continued cooperation and support.

REPAIRS

The schoolhouses are in good condition with the exception of the Hill schoolhouse. This building needs shingling, a new outside door, and the school room should be papered and painted.

TEXTBOOKS

The textbooks are in good condition.

RECOMMENDATIONS

Common schools and High school tuition	\$4,000.00
Repairs	100.00
Superintendence	133.00
School committee	30.00

In closing, I wish to express sincere appreciation to all who have helped in the school work.

Respectfully submitted,

BERTHA W. CARTER,
Superintendent of Schools

AUDITOR'S REPORT

Bangor, Maine, June 12, 1944

To the Inhabitants of the Town of Newburg:

In compliance with the request of your municipal officers, I have made an examination of the accounts of the Town Officials for the municipal year ended February 15, 1944.

My report, herewith submitted, was prepared from your town records and, to the best of my knowledge and belief, reflects the true financial condition of your municipality as of that date.

The data obtained by me is summarized in the following:

COMMENTS

- Exhibit A—Comparative Balance Sheet
 - B—Cash Receipts and Disbursements
 - C—1943 Valuation and Commitment
 - D—Statement of Departmental Operations
 - E—Analysis of Change in Net Debt
- Schedule 1—Reconciliation of Treasurer's Cash Balance
 - 2—Uncollected Taxes
 - 3—Tax Liens
 - 4—Tax Acquired Property
 - 5—Trust Funds
 - 6—Notes Payable
 - 7—Dog Licenses
 - 8—Excise Tax

Respectfully submitted,

By WM. J. CURRIER,
Public Accountant-Auditor

Cash:

All cash receipts shown to have been received were properly recorded and accounted for as summarized in Exhibit B.

Expenditures were made by check from warrants properly drawn as shown on Exhibits B and D.

The bank balance at the close of the year was reconciled with the cash balance of the town and found to agree as shown by Schedule 1.

Taxes:

The 1943 Tax Commitment to the Collector was examined and found to be in agreement with the records of the Assessors. The balance due from the Collector on this commitment consists of unpaid taxes as per his records as shown on Schedule 2. No verification of unpaid taxes was made. The percentage of taxes collected is 87% and uncollected 13%. The percentage of prior years taxes and tax liens collected to current years commitment is 21.8%.

Excise taxes were checked from triplicate copies of receipts and all amounts specified were found to have been deposited with the Treasurer. For details see Schedule 8.

Dog licenses were checked with the triplicate copies of receipts and amount collected was remitted direct to Treasurer of State. For details see Schedule 7.

Tax Liens:

All unpaid tax liens were examined and found to be properly made and recorded.

Trust Funds:

All pass books were examined and the funds found to be deposited in the Bangor Savings Bank and Penobscot Savings Bank. One new fund, Charles Smith \$100.00 was received.

The Knowlton School Fund for which the Merchants

National Bank of Bangor is trustee earned \$702.28 during the year. This was credited to the school account. The Merchants National Bank of Bangor has rendered proper statements covering the handling of this fund and have turned the earnings of \$702.28 over to your Treasurer.

Departmental Operations:

Exhibit D furnishes an analysis of the various appropriation accounts.

With the exception of School and Highway State Aid Construction balances, all overdraft and unexpended balances were transferred to net debt or surplus.

General:

Proper deductions for Withholding Tax and Teachers Retirement Fund were made and checks drawn for payment of same up to the close of the year.

Interest on all outstanding notes was paid.

Payrolls were examined and appeared to be proper charges and correctly recorded.

No external verification of the Asset and Liability accounts other than Notes Payable were made.

Net Debt or Surplus account changed during the year from a deficit of \$478.59 to a credit of \$418.46, a gain of \$897.05, due to unexpended balances written off.

School accounts were checked with the accounts of the School Superintendent and found to be in agreement.

Recommendations:

I would recommend that ledger accounts with Withholding Tax and Teachers Retirement Fund be kept. Your Treasurer and Selectmen have been instructed how to handle same.

*To H. Leon Knight, a constable in the Town of Newburgh,
said County.*

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of said town of Newburgh, qualified to vote in town affairs, to assemble at the Town Hall in said town of Newburgh on Monday, the 11th day of March, at ten o'clock in the forenoon, 1946, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To hear the report of the Selectmen, Assessor's and Overseers of the Poor, Treasurer and Superintendent of Schools and vote to accept them as printed.

Art. 4. To choose three or more Selectmen, Assessors and Overseers of the Poor for the ensuing year.

Art. 5. To see if the town will vote to authorize the Selectmen to act as Road Commissioners, if not to determine the number of Road Commissioners the town shall have, and elect the same.

Art. 6. To choose a member of the school board for a term of three years.

Art. 7. To choose one or more Fire Wardens.

Art. 8. To choose a Treasurer for the town and all other officers except a collector of taxes and fix their salaries for the ensuing year.

Art. 9. To determine what sums of money the town will raise by taxation for the following purposes, for the ensuing year:

For the support of Common Schools and High School Tuition.

For the support of School Houses.

For the support of Poor.

For the support of Roads and Bridges—Summer.

For the support of Roads and Bridges—Winter.

For State Aid and Special Resolve Maintenance.

For Abatements.

For Superintendent of Schools Salary.

For Cutting Bushes, improved roads.

For Incidentals.

For Aid to Dependent Children.

For School Committee Salary.

Art. 10. To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapt. 20, R. S. 1944, as amended.

Art. 11. To see if the town will raise and appropriate \$30.00 for public health nursing in Newburgh, said sum to be expended by the State Bureau of Health for local services.

Art. 12. To see if the town will vote to raise and appropriate the sum of \$600.00 for the maintenance of improved sections of third class road, or to be used in connection with the third class apportionment made by the State for improvement of third class road.

Art. 13. To see what action the town wishes to take in regard to the uncollected taxes for 1945.

Art. 14. To see what action the town will take in regard to the collection of taxes for the ensuing year and to fix the compensation for the Collector of Taxes, and to elect a Collector of Taxes for the ensuing year.

Art. 15. To see if the town will vote to authorize the Selectmen on behalf of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they deem advisable, and to execute quit claim deeds for such property.

Art. 16. To see if the town will vote to authorize the Selectmen to hire money in anticipation of taxes.

Art. 17. To see what action the town will take in regard to letting the Newburgh Grange use the Town Hall for Grange purposes.

Art. 18. To see if the town will vote to accept the sum of \$100.00 from the Axel E. Jolander estate, the income to be used for the care of his lot in the Chapman Cemetery.

Art. 19. To see if the town will vote to raise the sum of \$200.00 to be expended on the road leading from the Horace Perkins turn to the Chapman place.

Art. 20. To see if the town will vote to accept the sum of \$100.00 from Helen Smith, the income to be used for the care of their lot in Chapman Cemetery.

Art. 21. To see what action the town will take in regard to consolidating the schools.

Art. 22. To act on any other business that may legally come before said meeting.

Notice is hereby given that the Selectmen will be in session at the Town Hall on Monday, March 11th, for the purpose of revising the list of voters.

Given under our hands at Newburgh, this 25th day of February, 1946.

REPORT OF THE PUBLIC HEALTH NURSE--1945

Once again the time has come to pause and look back over the work of the past year. It has been an eventful year.

Your nurse has visited your town an average of once a month. Her work consisted of visits to: infants, preschool, school and handicapped children, and persons with communicable diseases, for the purpose of health supervision.

Several parents have taken advantage of the opportunity to attend the Hampden Monthly Child Health Conferences. It was decided by the Health Committee that it was better to secure the invitations to the regular Hampden Conferences where whooping cough inoculations might be obtained than to try to have one or two here in town. For the majority of people the travel distance is not much greater. In the year to come it is hoped more will attend. It is well not only to have the good physical examination offered but to protect children as young as possible from diphtheria, smallpox, and whooping cough.

Children needing to be seen by a Child specialist have been referred to the Pediatric Clinic held monthly in Bangor.

During the past year the Health Committee has been inactive. It is hoped that in 1946 it will resume its duties.

Respectfully submitted,

MAREA G. LUNDBERG,

Bureau of Health, Public Health Nurse.

AUDITOR'S REPORT

May 5, 1945.

Board of Selectmen,
Newburgh, Maine.

Gentlemen:

At your request I have completed an examination of the accounts of the Town of Newburgh for the municipal year ending February 15, 1945.

From the records available to me I have prepared exhibits and schedules noted on the following page and subject to any qualifications made believe them to be without material error.

In my opinion based upon the examination, this report fairly presents the financial condition of your municipality as of February 15, 1945, and summarizes the fiscal transactions during the year then ended.

Respectfully submitted,

By WILLIAM J. CURRIER,

Public Accountant-Auditor.

COMMENTS

An examination has been made of the financial transactions recorded in the books and records of the Town of Newburgh for the fiscal year ending February 15, 1945. This consisted of a thorough check of the receipts and disbursements of the treasurer and tax collector and such test-checks of other records as seemed advisable for a proper audit.

BALANCE SHEET EXHIBIT A

CASH: \$2,517.46 (Exhibit B in Schedule 1). Cash on deposit and subject to check as of February 15, 1945, was confirmed with the depository and the amount so reported reconciled with the balance shown by the town records. This amount represents a decrease of \$703.35 under the balance of February 15, 1944.

TAXES—PROPERTY AND POLL: \$1,683.37 (Exhibit A in Schedule 2A). The tax commitment was compared with the records of the assessors. It was found that this commitment was accounted for either by cash paid the treasurer, abatements, or unpaid taxes as reflected on the records of the collector.

Payment on prior year's taxes \$1,553.73 appeared to have been applied against the account 1943. No mail verifications made of any uncollected items. The detail list of uncollected taxes and tax liens are in agreement with their respective control accounts. Reserve for collection: A reserve of 25% or \$420.87 has been set up for uncollected taxes. Accounts receivable: I am advised by the selectmen that so far as their knowledge goes all accounts due the town were paid.

NOTES PAYABLE: \$4,000.00 (Schedule 5). No change took place in this account during the year. The notes have been verified and found to be correct.

TRUST FUNDS: \$25,413.11. Interest received on this fund was \$768.33. Interest withdrawn was \$737.35, leaving \$30.98 earned but not withdrawn which was deposited to the several accounts.

ACCOUNTS PAYABLE: The selectmen advised that all known bills have been paid.

NET SURPLUS: Reference to Exhibit A indicates that as of February 15, 1944, there was a net surplus of \$418.46 as compared with a net deficit on February 15, 1945, of \$988.26.

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
the Town of Newburgh:*

I herewith submit my sixteenth annual report of the schools of Newburgh, for the municipal year ending Feb. 20, 1946.

TEACHERS

Hill School—Rhodora T. Knight
Center School—Clara N. Eldridge
Center School—Theresa G. Chadbourne
Knowlton School—Louda M. Miller
Chapman School—Ina H. Jones
Gilmore School—Josephine Scott

With the active cooperation of the parents, the above-named teachers have progressed very well in the work of the schools. There must be a harmonious spirit of understanding between the home and the school for the best interests of the children. I feel quite certain that Newburgh will continue to support and cooperate with the teachers.

REPAIRS

The Hill schoolhouse has been put into excellent condition under the direction of Mr. Knight of the S. S. Committee. On the South road, much-needed repairs were made at the Gilmore schoolhouse, under direction of Mrs. Luce of the Committee. Other repairs were of a routine nature. Considering the high cost of labor and materials, I feel that the S. S. Committee accomplished a great deal of work as economically as possible. At the Knowlton schoolhouse, the parents, teacher, and town worked together to repaint the interior.

RECOMMENDATIONS

Newburgh's school rate this year is .01707. The average for the State is .01800. This rate is determined by dividing the total of local school appropriations (Common Schools and High School Tuition) by the State valuation. Thus, in order to receive equalization in December, 1947, the school rate should be increased. The rate (average) for the State may also be increased. However, it would seem best to appropriate enough money to meet increased costs. I therefore recommend that the following amounts be appropriated:

Common Schools and High School Tuition	\$4,500.00
Repairs	200.00
Superintendence	250.00
S. S. Committee	31.00

In closing, I wish to express sincere appreciation to all who have helped in my work.

Respectfully submitted,

BERTHA W. CARTER,

Superintendent of Schools.

AUDITOR'S REPORT

October 28, 1946.

Board of Selectmen
Newburgh, Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, the records of the Town of Newburgh have been audited for the period February 15, 1945 to February 15, 1946.

The examination was made in accordance with generally accepted standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the result discloses that the financial transactions of your town have been satisfactorily handled.

Comments and Schedules are incorporated in this report which may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER AND SAWYER
BY A. F. SAWYER

Accountants and Auditors.

COMMENTS

Re: Audit of the Town of Newburgh, February 15, 1945 to February 15, 1946.

The financial status of the Town is presented on the Balance Sheet, and comments regarding the various items, in the order of their appearance thereon, are as follows:

CASH: The cash balance at the close of the year was on deposit at the Merchants National Bank, Bangor, Maine. The check book balance was reconciled with the bank statement as of February 15, 1946, and found to be in agreement.

ACCOUNTS RECEIVABLE: This receivable consists of amount due from State for Snow Removal.

TAXES RECEIVABLE: The records of the Tax Collector were examined and the warrant of commitment was found in agreement with the Assessors' records.

This commitment was accounted for by cash paid to the Treasurer, abatements and unpaid taxes as reflected on the records of the Collector.

The cash collection of the current year's taxes was 83.8%; while all taxes collected during 1945 both current and prior, amounted to 96%, as referred to the current commitment.

TAX LIENS: There was only one lien in the amount of \$3.05 remaining unpaid. Collections and credits were checked and found to be properly recorded.

TAX ACQUIRED PROPERTY: The records of the tax acquired property were examined and the entries checked for proper postings.

NOTES PAYABLE: Outstanding notes in the amount of \$4,000.00 remains the same as during the previous year. The notes have been verified and found to be correct.

SURPLUS: At the close of the year, the town had a Surplus of \$462.47. Of this amount \$27.23 has been set aside for definite purposes leaving \$435.24 unappropriated for any specific purpose. A summary of the items which make up that portion which is appropriated may be found on Exhibit D. An analysis of change in the unappropriated Surplus for the year under examination, is presented on Exhibit E.

TRUST FUNDS: The several trust funds and their investments were examined and found to be properly invested. All income was expended in accordance with the terms of the trusts.

GENERAL: The fidelity bonds of the various town officials were examined and found in order and properly recorded.

Revenue obtained from 1945 excise taxes was checked and found to be accounted for and properly recorded. All revenue from this source was applied to the Incidental account.

All unexpended balances required by law to be carried forward have been properly set up in the records.

The records were found to be very accurately kept, and in excellent condition.

REPORT OF THE PUBLIC HEALTH NURSE--1946

The fight against the enemies of health is never ended. Your Community needs to find better ways and more effective weapons to use. One of these is more enlightened citizens. Leaders in programs to promote and safeguard health have proven that more time and attention should be given the prospective mothers and fathers, the infant and the pre-school age child. Much harm is done by waiting until the child enters school before focusing attention on his health.

Your Bureau of Health Nurse has spent most of her time with the younger age group. She has felt the need of more united effort on the part of the Community in order to make her work more effective.

Health supervision visits have been made to the expectant mother before and after the birth of the infant. Regular health supervision visits have been made to the infants and pre-school children as well as to the handicapped child.

Communicable disease prevention has been carried out in the usual manner. Health supervision visits have been made to those with tuberculosis and other communicable diseases. The contacts have been skin tested at the request of their family physician.

Conferences have been held with the teachers and superintendent to discuss health services in the school. Visits have been made to the homes whenever the teacher requested.

Health Committee meetings have been held throughout the spring and fall. Plans have been made for a dental clinic and it is hoped we may soon put it in action.

The health work of the nurse is greatly aided by the health committee's co-operation. Plans are now being made for a Health Committee Field Day in May. We hope interested citizens will attend.

HELEN C. HACKETT

REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
Newburgh:*

I herewith submit my seventeenth report of the schools of Newburgh.

TEACHERS

Hill School—Rhodora Knight
Ward School—Louida Miller
Center School—Ina Jones
Chapman School—Mabel Hopper
Gilmore School—Arlene Smith

The town of Newburgh has been very fortunate in being able to retain the services of capable local teachers. The interest shown by the parents and pupils is reflected in the excellent attendance records.

TEXTBOOKS AND SUPPLIES

We have endeavored to keep this account within a minimum sum. The cost of books and of supplies has increased the - oiw OEyxA0l Tccc approximately one-third in the last two years. The schools are reasonably well supplied with books.

RECOMMENDATIONS

I recommend that the following amounts be appropriated for schools for the coming year:

Common School and High School Tuition	\$5,000.00
---------------------------------------	------------

This amount will reduce the amount of overdraft, and will take care of increased costs to some extent.

Repair of Schoolhouses	\$200.00
Superintendence	310.52
S. S. Committee	46.00

In closing, I wish to thank all those who have contributed to the welfare of the schools.

Respectfully submitted,

Bertha W. Carter

Supt. of Schools.

AUDITOR'S REPORT

Board of Selectmen

Newburgh, Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, we have audited the records of the Town of Newburgh for the period February 15, 1946 to February 15, 1947.

The examination was made in accordance with generally accepted standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination the financial transactions of the Town appear to have been appropriately handled.

Exhibits and Schedules included in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data incorporated in the report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,

SAWYER AND SAWYER

COMMENTS

Re: Audit of the Town of Newburgh

February 15, 1946 to February 15, 1947

The financial status of the Town is presented on the Balance Sheet and comments regarding the various items in the order of their appearance thereon, are as follows:

CASH: The cash balance at the close of the year was on deposit at the Merchants National Bank, Bangor, Maine.

The check book balance was reconciled with the bank statement as of February 15, 1947, and found to be in agreement.

ACCOUNTS RECEIVABLE: This receivable consists of \$1,460.00 due from the State.

TAXES RECEIVABLE: The records of the Tax Collector were examined and the warrant of commitment was in agreement with the Assessor's records.

The commitment was accounted for by cash collections of \$11,284.25 and unpaid taxes of \$2,049.30 as reflected on the records of the Collector. The balance due for previous years' is \$14.94.

TAX LIENS: The tax liens on file with the Town Treasurer were examined and found to be recorded at the Registry of Deeds, Bangor, Maine. Payments of \$75.95 were received during the year. Collections and credits were checked and found to be properly recorded.

The balance of the 1944 liens have been transferred to the Tax Acquired Property account.

TAX ACQUIRED PROPERTY: This account is represented by property acquired by foreclosure of tax liens. The records of tax acquired property were examined and the entries checked for proper postings.

SURPLUS: At the close of the year, February 15, 1947 the town had a net deficit of \$950.58.

An analysis of the change in unappropriated surplus for the year under examination is presented on Exhibit E.

TRUST FUNDS: The several trust funds and their investments were examined and found properly invested.

All income was expended in accordance with the terms of the trusts.

GENERAL: The fidelity bonds of the various town officials were examined and found to be in order and properly recorded.

Revenue obtained from excise taxes was checked and found to be accounted for and properly recorded. All revenue from this source was applied to Administration.

Vouchers and payrolls were examined in part and those examined appeared to be proper charges to the accounts involved.

All unexpended balances required by law to be carried forward, have been carried to 1947. The records were found in excellent condition.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of
the Town of Newburgh:*

I herewith submit the annual report of the schools of Newburgh.

TEACHERS

Hill School—Rhodora Knight.
Ward School—Louida Miller
Center School—Lena Day
Knowlton School—Theresa Chadbourne
Chapman School—Mabel Hopper
Gilmore School—Ethel Luce

The schools have been in the hands of capable teachers who have worked wholeheartedly for the interests of their pupils. The attendance records have shown the usual high averages. This shows good cooperation on the part of the parents.

TEXTBOOKS AND SUPPLIES

We have tried to supply the usual needs of the schools without excessive cost. However, since there has been a steady increase in the cost of paper, etcetera, since 1941, the amount necessary to meet even minimum needs has increased.

RECOMMENDATIONS

One of the factors affecting a town's eligibility to receive equalization funds is the school tax rate (local Appropriation divided by the State Valuation). Newburgh's

rate for 1948 is .02254 while the state average is .02243. There is little doubt that the state rate will rise materially this year. Therefore, if Newburgh is to receive equalization funds in 1949, the appropriation must be substantially increased.

The overdraft this year was caused by maintaining six schools instead of the five planned for in the budget, by the increase in teachers' salaries (this is compulsory), and by the increase in cost of high school tuition. Taking into consideration the fact that teachers' salaries at the new rate will cover thirty-six weeks instead of the twenty-two paid for this year, the fact that conveyance costs are likely to increase somewhat, that textbooks and supplies will not decrease in price, and that our boys and girls in high school are entitled to have tuition paid, I recommend that the following amounts be appropriated for the ensuing fiscal year:

Common Schools and High School Tuition:

\$7,300 and the overdraft of this year.

Repair of Schoolhouse	\$250.00
Superintendence	301.00
S. S. Committee	45.00

I also recommend that a committee be appointed to work with the S. S. Committee and superintendent to make an informal survey, with the help of the State Department, of the schools of Newburgh, with a view toward improving their efficiency.

I wish to take this opportunity to thank the teachers, the S. S. Committee, town officers, and citizens for their cooperation in my work.

Respectfully submitted,

BERTHA W. CARTER

Superintendent of Schools

REPORT OF PUBLIC HEALTH NURSE

Each community in Maine has a new challenge for 1948. The birth rate for the state has steadily increased. Although the past year some steps were taken to improve health in Newburgh much remains to be done to provide a healthful environment in which these new babies may grow and develop into healthy, happy girls and boys.

As in past years home visits for health supervision have been made to the expectant mothers, infants and preschool children. The advantages of the Bureau of Health diagnostic clinic for children and the one for crippled children in Bangor have been used by the children in Newburgh for correction of defects.

Conferences have been held with the superintendent and teachers to promote better health education. Following these conferences home visits have been made at the request of the teachers to school children to assist in finding ways to improve the child's progress and to help develop better health habits.

The audiometer was used to test the hearing of the school children and only one child had any severe hearing loss. Measures for correction of this have been taken. The town paid for the diphtheria toxoid to be offered to the school children and 103 took advantage of it.

Communicable disease control was carried out by home visits to patients and by health supervision in the home. Contacts of Tuberculosis patients were skin tested at the physician's request and plans made to secure x-rays for them.

During the coming year Newburgh would benefit more from the services of the Public Health Nurse if the Health Council could again become active. An attempt was made to carry out Child Health Conferences by sending a questionnaire to each parent but only three were interested in them. The Child Health Conferences would be more successful if a health council could arouse interest.

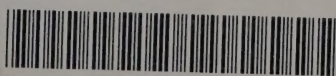

Respectfully submitted,

HELEN C. HACKETT
